PREPARATORY LANGUAGE COURSE

If you are just beginning your adventure with academic life, or you simply want to refresh your English language skills, our University has prepared a special course for you.

English for Academic Purposes is a course during which students can develop their English language skills necessary to succeed in their further studies or career paths. Additionally, they get acquainted with Polish culture, learn the basics of intercultural communication, and have a chance to study Polish.

Classes take place in small groups, which will allow us to better focus on your needs and better assess your progress and achievements.

Apart from studying languages, you will have an opportunity to develop new acquaintances with people from diverse environments and cultures, gaining new perspective and making it easier for you to function in international communities.

After the completion of the English for Academic Purposes programme you can enrol in one of the International Study Programmes offered at the University of Opole. You may choose BA, MA or PhD degree depending on your previous educational background and degree that you already possess.

"I AM FROM ONE OF THE LARGEST CITIES IN THE WORLD WITH OFFICIALLY MORE THAN 21 MILLION POPULATION. IN MY OPINION, OPOLE IS A GREAT CITY, IT'S NOT TOO BIG AND NOT TOO SMALL - I CAN REACH MOST OF THE PLACES IN 10 MINUTES ON FOOT. UNLIKE SOME SMALL TOWNS IN THE U.S., OPOLE HAS ALL KINDS OF ESSENTIAL FACILITIES, INEXPENSIVE PRODUCTS, AND PEOPLE HERE ARE VERY HELPFUL AND FRIENDLY. MY MAJOR HERE IS QUITE GOOD. WE HAVE A LOT OF OPPORTUNITIES TO WORK IN GROUPS, MAKE PRESENTATIONS AND HAVE FREE DISCUSSIONS. I THINK IT'S MUCH BETTER THAN TEST-ORIENTED EDUCATION. I WILL SPEND 3 YEARS HERE TO GET THE BACHELOR'S DEGREE, AND I'M PLANNING TO APPLY FOR THE MASTER'S DEGREE PROGRAMM HERE AS WELL. I BELIEVE I WILL ENJOY LIVING IN OPOLE."

English Language Summer School is a programme that takes place in July. By coming here, students from other countries get to study the English language and to capitalize on it in practise outside of classrooms, owing to the multinational community present at our university. Due to the location of the city of Opole, it is possible to travel around Europe with ease. If needed, the participants are assisted in organizing their sightseeing trips.

PROGRAMME OF THE ENGLISH SUMMER SCHOOL

Apart from studying English, students learn about European culture, both in classes and during their after-class activities, while meeting with the local community. We try to create a programme that will accommodate all needs of the participants, and we will consider any of your requests to enhance it. After classes finish, until the end of the month, the students will be expected to stay among their international community and take part in social events it provides. Our qualified and experienced teachers are eager not only to share their knowledge and skills with their students. They are also dedicated to broaden their students' horizons, improve their critical thinking, and they are themselves always open to discussions. In addition to language and culture specialists, sociologists and art teachers, as well as physical training instructors contribute to the programme.

The background of the entire page is a photograph of the Opole River at dusk. The sky is a mix of blue and orange from the setting sun. The river is calm, reflecting the lights from the buildings and the sky. On the right bank, there are several historic buildings with many windows, some of which are lit up. A bridge is visible in the distance on the left. The overall mood is peaceful and scenic.
