>>Registration fee is to be paid to the individual bank account number generated in the system.
 >>It is refundable only should the programme be not open due to the few candidates interested

On this page you can view a summary of financial operations on your IRK account. If the system has been configured to support payments in more than one currencies, your payments will be divided into separate tables in regard to these currencies. Your account deposits have positive value in the *Amount* column, while charges have a negative value. In the *Status* column the current status of your application fee is displayed. If the application has not been paid on time or a refund has been made, the payment will be displayed with grey background and its amount will not be calculated into the sum that is displayed above the table.

In the *Payment deadline* column there is a date until which you should make the payment at the latest, and below - in brackets - there is a date until which the money must be transferred to the University. Please make the payment in advance. If a recruitment payment isn't settled on time (the date in brackets), the application will be considered only on candidate's request, provided that the payment was made no later than the last day of registration for given studies. Submitting such a request is possible within 3 days after announcement of the results.

Other important information:

University of Opole provides accommodation in one of the dormitories (either Niechcic or Kmicic depending on the number of applicants), both situated in the Campus near the main university building.

You have to apply for a place in the dormitory by uploading the application for accommodation in the IRK system (there is no need to contact the dormitory administration directly).

Let us know about the date of your arrival at least 2 weeks in advance.

Please mind there is no airport in Opole!

Here is the interactive Google map with the shortest way from the Central Railway Station "Opole Główne":

<https://www.google.pl/maps/dir/PKS+Opole,+1+Maja,+Opole/50.6725926,17.9334794/@50.6671272,17.9287518,1430m/data=!3m1!1e3!4m9!4m8!1m5!1m1!1s0x4710530fdb31344b:0x161faeca581f3fc5!2m2!1d17.9293075!2d50.6632166!1m0!3e0>

As for reaching the dorm, you've got at least 2 options:

1. You may get there on foot (it's about 1,5 - 2 km)
2. Once you leave Opole Central Railway/Bus Station there is a taxi rank. The lift shall cost not more than 20 PLN (about 5 EUR) even at night.

Dormitories

Dormitories offer rooms in modules, i.e. two (double or triple) rooms with a shared bathroom. Student rooms are equipped with single beds, a wardrobe, a desk, chairs, a table and a fridge. There is a kitchen on each floor (in Kmicic) and each module in Niechcic, equipped with a gas cooker, sink table and numerous cupboards.

There is a launderette on each floor with washing machines and dryers. It is possible to book a launderette in advance and keep it locked while using it.

Each bathroom (one per module) contains a shower, basin and a toilet.

IMPORTANT: Please bring your own bedclothes, sheets and bed linen. Alternatively, our Buddy Mentors will help you buy some upon your arrival to Opole.

The same with the kitchen utensils: mugs, cutlery, plates, pots and pans, either bring the stuff from home or you will buy it in Opole.

Accommodation fee can be found at <http://hello.uni.opole.pl/accommodation/>

Now the registration is done

We will process your application and issue the decision with the set of other admission documents.

Should you have any questions, contact us at hello@uni.opole.pl.
