

Ministry of Health Care of Ukraine
Ivano-Frankivsk National Medical University

DEAR COLLEAGUES!

We invite You kindly to take part in

III scientific and practical conference with international participation

**"THE DEVELOPMENT OF BEST PRACTICES IN DOCTORS OF PHILOSOPHY
TRAINING "**

Ivano-Frankivsk, April 25, 2024.

**WE INVITE SCIENTIFIC AND PEDAGOGICAL STAFF, GRADUATE STUDENTS,
PHD STUDENTS, EMPLOYERS and other participants of the educational process TO
PARTICIPATE IN THE CONFERENCE.**

All participants of the conference will receive a certificate of participation indicating the total number of academic hours: 6 hours (0.2 ECTS credits) (in accordance with Resolution of the Cabinet of Ministers of Ukraine No.800 dated 08.21.2019 "Some issues of qualification improvement of pedagogical and scientific-pedagogical staff"). It will be possible to download the certificate from the website of the University following the link [CERTIFICATES_CONFERENCE_DOCTORS_OF PHILOSOPHY.](#)

Registration is open:

<https://forms.gle/26NnA3gKncEjCqQd9>

Participation at the conference is **free** of charge, but registration is compulsory.

CONFERENCE SECTIONS:

1. The Implementation of European and global standards of scientific research and research management in Ukraine.
2. Institutional and methodical principles of postgraduate studies and issues of awarding scientific degrees.
3. The Analysis of the European experience of PhD training, the content and features of educational and scientific training programs for third-level higher education applicants.
4. The Problems of academic integrity, academic mobility and publishing activity in the scientific environment.
5. The Implementation of the regulatory framework for training and certification of highly qualified staff in Ukraine.
6. The role of research centers in the process of training applicants for the third educational and scientific level of higher education.
7. Higher education pedagogy and teaching practice in the system of training doctors of philosophy.
8. The PhD student research topic choice: a combination of academic freedom and priorities for the development of professional science.
9. The main problems of training young scientists from the perspective of scientific and pedagogical staff, applicants, and stakeholders.

This event will be presented in an **ONLINE** format. Speakers will be able to report remotely and present e-posters during their scheduled talk time. This format will be facilitated using the Microsoft Teams conferencing platform.

THE CONFERENCE LANGUAGE are Ukrainian and English.

CONFERENCE PARTICIPATION FORM: oral presentation, e-poster, published papers, conference listeners. Conference materials will be published (the e-version will be posted on the IFNMU website at <https://ifnmu.edu.ua/uk/diyalnist-universytetu/konferencii>).
