RECRUITMENT IN 4 EASY STEPS

It is simple. Look how it works

- First of all you have to **get familiar with the principles of recruitment** to make sure that you can study in Poland. All these information you can find on: **http://hello.uni.opole.pl/principles_of_recruitment/**

- In order to enroll to one of the programmes you have to **create an account** in the online recruitment system, called IRK on our website **https://rekrutacja.uni.opole.pl/en-gb/**

- After that you have to **enter your personal data, photo, information about your education** etc., sign up for one of the programmes and **pay the registration fee (85 PLN).**
  All these procedures should be performed in the online recruitment system.

- You will also have to **attach the scans of required documents** in the system.
  List of all required documents you can find on: **http://hello.uni.opole.pl/documents/**
